Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Wednesday 29 Dec 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Rain this morning, clearing during the afternoon.

Today:
A bright and sunny start with a touch of frost in places, quickly deteriorating as a band of rain moves eastwards across the region. Rain may be heavy at times, but will soon clear eastwards by late afternoon. Windy. Maximum temperature 11 deg C (52 deg F).

Tonight:
A cloudy but dry night for many areas, possibly some drizzle over the Pennines and far north. Staying windy and feeling mild. Rain returning around dawn. Minimum temperature 4 deg C (39 deg F).

Thursday:
An unsettled day. Mostly cloudy with blustery showers, although some drier interludes are possible as well. Risk of heavy rain into the evening. Staying mild. Maximum temperature 13 deg C (55 deg F).

Outlook for Friday to Sunday:
Some light rain on Friday morning, a chance of drier weather later in the day. Very windy on Saturday and Sunday with heavy, blustery showers. Very mild all weekend.
